

DISCOVERABILITY OF CULTURAL, MEDIA, AND SCIENTIFIC CONTENT

AN EVENT ORGANIZED BY THE RSC AS PART OF THE ACFAS CONFERENCE

May 14, 2026 | Université du Québec à Trois-Rivières

This symposium will feature two panels. The first will bring together researchers and experts of media, culture, arts, and bibliometrics, to share the status of their work and analyses on the topic from regarding the issue according to their respective fields of research.

The second panel will explore the policies and steps that have been - and should be - implemented to improve the discoverability of French literature.
