CELEBRATION OF EXCELLENCE AND ENGAGEMENT | CÉLÉBRATION D'EXCELLENCE ET D'ENGAGEMENT

## COEE2019 SYMPOSIUM

### SCIENCE, TRUST AND SOCIETY: INCLUSIVE CULTURE UNDER SIEGE

Today more than ever, experts have a crucial role to play in fostering openness, expanding critical thinking and enabling citizens to make the vital distinction between facts and opinions.

The COEE2019 Ottawa Symposium will bring together researchers, government and business leaders and artists, among others, to demonstrate the ways in which they are working together to re-establish and expand a relationship of trust with citizens and protect aspirations of inclusive culture threatened by populism.
